**Correction of Customer Number**

Sir:

The enclosed Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address was filed regarding the above-identified patent application on May 29, 2007. The filed copy, per a conversation with Examiner Sines, appears to state the Customer Number as "61982", and not "61962", which the original document clearly displays. This is likely a result of the document having been faxed, and the Patent Office printed copy not being clearly legible.
